The Reappearance of the Christ

Every **THIRD** Tuesday of the month, we gather online to discuss Alice Bailey's book, *The Reappearance of the Christ*. The *Tibetan Master*, dictating through the mediumship of Alice Bailey, brought forth some of the most amazing esoteric teaching; teaching which applies today as much as it did when the books were brought forth during the Second World War.

The Reappearance of the Christ (one of 24 books) speaks of how we are in the planning stages for the coming forth of the Great Christ Spirit.

How and when, under what conditions, and in what bodily form He/She will appear is not known to anyone. What we do know is this: **Christ's reappearance will not be as presented in the Book of Revelations.** The Christ will **not** come as the forerunner of the end times; rather, as a world teacher and Avatar who will help Humanity prepare for the upcoming Age of Aquarius. This is a must-read book and a must-attend discussion group for all people, regardless of faith. Each meeting will begin with the *Great Invocation*, followed by informal discussion, and closing with an affirmation.

Every **THIRD** Tuesday of the Month,
Starting June 16, 2026, at 7 PM ET.
